

The food was SUPERB – everyone that had eaten enjoyed it immensely. The only suggestion I have is for the dishes to have labels stating what they are. The black tablecloths and napkins were beautiful and the menu list on each table with “Merry Christmas Fisher and Paykel Healthcare “ was great. Awesome job, well done. Please pass on my compliments to the Chef. Thank you Lutz, you as well were awesome.

I organised my Mother’s 80th Birthday reunion Luncheon at the Club recently and wish to acknowledge what a Fantastic Day it turned out to be. The Club was a great venue, the menu excellent (all organised remotely) and the service from Lutz and his staff was fantastic. My former employment was as a Functions Manager, so I am quite particular about the details of organising an Event, most especially for my own family. Once again, thank you to all concerned.

Kind Regards

I’m a longtime supporter, attendee and dancer of the Papatoetoe Cosmopolitan Club. I recently had the pleasure of celebrating my 75th birthday at the Club as a dine and dance party. This was a heavily booked evening with two other parties going on simultaneously. A very demanding evening for the Caterer Lutz and his Bravo team. I have to say that Lutz went out of his way to accommodate my guests in arranging tables and seating to my specific requirements. I couldn’t have been better looked after. As a result my birthday celebration was a very happy success, surpassing my 65th which I also celebrated at the Club. I’ve had many positive comments about the food and catering provided by Lutz and his team. Thank you so much,

Yours sincerely
David Christian

We have been using Papatoetoe Cossi for the last 5 years for our Manurewa High School Year 13 Dinner. During this time I have dealt with a variety of your catering services but would have to say that Lutz and his team are the best I have worked with. Firstly, they are so thorough and professional in their communication with emails and meetings that we set up. The food was excellent and their staff observant of the buffet, communicating with our students as they served their food. The room looked the best it has ever done with both the table layout and presentation of the tables. I found the whole evening stress free because of how efficient the team were. I would also like to commend the 2 bar staff who were working. They were also very polite and so engaging with our students. Thank you for a wonderful evening.

I would like to take this opportunity to thank the Papatoetoe Cossie Club and the Caterer for a most enjoyable experience at my son's 21st recently. Your facilities are fantastic. I would like to thank Lutz for the following: the pre-function organisation ensuring my needs were met, the room layout, the head table was stunning to say the least, the buffet was beautifully set up, the waiting staff were very polite and welcoming to myself and guests, the FOOD was gorgeous and there were lots of raves the next day – especially about the desserts. All and all it's 10/10. Thank you and I'll be back as my son is now engaged to be married!!!!

Kind Regards

Just a short note to thank you and your staff for helping to make our Wedding Day perfect. The service was great and everyone complimented us on the food. It was delicious and well presented. 10/10 for everything.

Kind regards

I would like to recommend Lutz and his catering team to anyone who is looking for a catering firm. Papatoetoe West School had their End of Year Function at Papatoetoe Cosmopolitan Club recently and Lutz set up the Christmas menu for us and decorated a very bare room turning it into a wonderful place to celebrate the end of year for all of us. The food was impeccable and there was plenty of everything for us ALL. Too many places have a set amount put out with no top ups, but Lutz made sure there was enough for even the last person to have a choice. The staff were very attentive to us all making sure we knew when the food was ready and when it was being taken away. The variety of dishes was awesome and all were very delicious. I am sure we will look at Lutz and his firm again in the future.

Just had to pass on our very sincere thanks for permitting Leonie and I to celebrate our Golden Wedding Anniversary recently in the Restaurant. We had an excellent day and not only thanks to the Club but a very BIG thank you to Lutz and his team who made the occasion even more memorable thanks to the food he supplied. We had finger platters which were delicious and everything was set out lovely for us – even down to tea and coffee afterwards. His efforts were truly appreciated. It would be so nice if you could let our Club Members know just how great he was.

Thanking you

I just wanted to drop you a note to thank you Lutz and Bravo Hospitality, very much indeed for all the work put into the NAPTA Awards night. The venue at the Papatoetoe Cosmopolitan Club was excellent. I had many people compliment me on the venue both on the night personally and afterwards on social media with many asking if we will be using the location again. For me the positive comments of others are the ultimate recommendation. In terms of the food and catering for the night, there has been nothing but praise for the quality and range of options. I would have no hesitation in recommending both Bravo and the Papatoetoe Cosmopolitan Club to anyone.

Regards and thanks again

21st Birthday Upstairs – July 2013

Outstanding service of excellence, we were very blessed with all staff on hand that were part of our daughters special night. The Bar staff along with your staff provided service with a smile and were so helpful with any requests from my family. The staff serving the meal were amazing. Rose, the team leader was right on cue keeping an eye on the food and making sure all the buffet was replenished as needed – they were outstanding. My daughter had the best ever 21st by far. Our family and friends had nothing but absolutely positive things to say about the service and quality of the food. Thank you Lutz and staff for making it the best 21st birthday many of our friends and family have ever been to – I say that because I have another daughter who will be needing a 21st and we're very keen to have it at your facility with the amazing service and team as you provided for this one. It was a real pleasure and blessing to have you come alongside my family to assist on our special day. May your business continue to prosper and be successful in all its endeavours to do.
