## **Message from The President**

**Firstly, I would like to thank Scott for stepping into the Manager's role and who did an excellent job keeping the club going until a new manager was procured. I hope it was a learning experience for your new larger role Scott, in which on behalf of the club, I wish you every success. It has been a pleasure working with you and I know the staff have appreciated you being here.**

**Secondly, I would like to welcome Niall Hanlon to our family as the permanent new manager. Niall has impressive experience and I'm sure he will win you all over as he has myself and the committee. I look forward to working with you in a role that you will make your own Niall – we all wish you a very warm welcome. Unfortunately, due to personal reasons Niall will not be at work until Monday and the Clubs condolences are with him during this time.**

### **Club Information**

**With the recent Covid-19 update we would just like to remind everyone that it is compulsory for all members to scan your card and guests to sign-in at Reception.**

**We are excited to finally have Spark Sport up and running within the Club. This gives us the ability to show live NZ Cricket matches and so much more! Keep an eye out for this.**

**This weeks Membership Jackpots - be here to win**

**Thursday \$ 600**

**Friday \$1600**

### **CARD SCAN - UP AND RUNNING**

**Our cardscan is now up and running. Members will now be asked to scan in at reception on your way into the Club as this will replace signing in, whether you are going to the Sports Bar, Lounge, gym, fit club or any other purpose – we thank you for your cooperation.**

**Members will need to have your card with you. The reasons for this are:**

- 1) Covid tracer accuracy**
- 2) to comply with the Sale and Supply of Liquor, and**
- 3) to help us understand the demographics of members (offering special promotions, birthday rewards etc).**

**Nothing will change for guests or affiliates wishing to use our Club.**
