Club News

Hi Cossie Members,

Another week of Level 2.5 for Auckland was reluctantly expected, but there is still 'goings-on' where possible around the Community and within the Club. As one could expect, other Clubs are a little quiet at the moment too as we keep ourselves safe, and everyone does their part to minimise risk. Therefore, with this in mind, showing us your support with the renewal of your subscriptions is valued. This will hold us in good stead as we again head toward more flexibility with the hope of a positive announcement on Monday of a move to level 1. We appreciate all of you getting behind the Club.

Do not forget team that membership renewals are due by the 31st of October. You can do this online [here](#) - then paying your subs via internet banking, or you can come into the Club, and one of our friendly Front of House staff will look after you.

Also, the format of our website looks slightly different on mobile devices, but you are still able to complete your form. Please see the instructions [here](#) for renewal on your mobiles.

We will have Gift Vouchers for membership subscription available soon. Ideal for the next generation of members, a lovely gift idea for partners, and we also have Christmas coming up soon too.

New and fresh for our brilliant members, we are offering you beautifully prepared meals to take off the premises for your liking. \$10 per meal, with a choice of smoked fish pie or shepherd's pie. DELICIOUS! Come on in and get yours today. Can be purchased from the bar or bistro.

Just a gentle reminder that Under Alert Level 2, we must adhere to the guidelines that are set for us. Of keynote - furniture cannot be moved from the position that it

has been set up in. Have a read of the below document [here](#). We trust that our members in keeping the Club safe.

Welfare

Kia Ora whanau, my name is Shirl Corles-Davis and I have taken up the position of Welfare Officer for the Cossie Club.

So, what does the Welfare Officer do? In a nutshell it means, to assist members in need of support for their well-being during times of unwellness and/or stress.

I have many years' experience of support work and social work within the health sector and am passionate about the wellbeing of our club members.

WE NEED YOU!!! This is a huge role for one person so I am looking at co-ordinating a group of members that can help me. The more people we have the easier it will be on everyone involved.

I am looking for people that can:

- **Give a little of their time, weekly or monthly**
- **Support with home baking**
- **Visit people in need in their homes or maybe in hospital**
- **Ring and have a listening ear**
- **Able to make the occasional delivery.**

This group will get great satisfaction in knowing our Cossie Club whanau have the support they deserve in their time of need.

If you are interested, please contact me on 027 838 9660 after 4.00pm, phone the office on (09)278 8109, or leave your details with reception.

Interesting facts for the 21st September! It is International Peace Day. It was established in 1981 by unanimous United Nations resolution, Peace Day provides a globally shared date for all humanity to commit to Peace above all differences and to contribute to building a Culture of Peace. Also on the 21st September 1915, CH Chubb purchased Stonehenge for the sum of £6,600 pound. Bargain!

From time to time certain circumstances arise for our members. In these instances we make exemptions, in particular for people to wear head coverings in the Club due to medical reasons. We ask that you please approach the Duty Manager, or Manager at any time if you have any queries with regards to exemptions.

From 1 November 2019 to 31 May 2020, Auckland experienced its worst drought on record, and are still needing the community to preserve water. Click these links to see more. [Drought by Numbers](#) and [Top Tips for saving water](#).
